

SALES REPRESENTATIVE
Central/Lower North Island
OUTDOOR POWER EQUIPMENT INDUSTRY

A vacancy has become available with the Auckland based national distributor of internationally recognised outdoor power equipment brands, including Oregon, Castelgarden and Oleo-mac.

The position involves the sales and promotion of the company's products to specialist dealers in the central and lower North Island. The successful applicant will need to reside within the territory.

Extensive travel is involved for which a late model vehicle is provided.

Significant remuneration is on offer for the successful applicant, comprising of a base salary and generous commissions.

Industry and/or product knowledge are valuable prerequisites for the position, along with a flare for sales.

The previous two operatives in the position were long term employees with the company.

Applicants please send your cv, covering letter and support documents to
Chainsaw & Outdoor Power Ltd
