

Brushcutter BCi 30

The BCi 30 is an irreplaceable tool for working around the garden. It combines the low weight and ease of use typical of battery powered tools with the practicality of a Load&Go line head, easily refillable without the use of tools.

Brushed motor 340 Watt: lightweight and designed for performance and extended life. **(1)**

Low noise: efficiently reduction of the noise pressure allows the use of the machine without headphones.

Ergonomic design: the battery can be easily positioned and removed without any effort. **(2)**

Rear handle with soft grip: ensures comfort during use. **(2)**

Adjustable front handle: it can be adjusted according to the operator's height. **(3)**

New Load&Go 103mm head: great cutting capacity thanks to a 30cm width with a line of 2mm Pro-Silent ensuring long life. (Noise reduce -30%) **(4)**

Accessory: single harness is available as option in order to improve the comfort during the use.

Brushcutter BCi 30 - technical specifications
